

**Sherman County**  
813 Broadway  
Goodland, Kansas 67735

## **PRESS RELEASE**

**From the Sherman County, Kansas Board of Health**

### **FOR IMMEDIATE RELEASE**

On May 9, 2017 a semi load of food products was blown over on Interstate 70. The food products on board were to be destroyed at the direction of the trucking firm's insurance company. It has been brought to the attention of Sherman County Public Health Officials that some of the potentially compromised food products have made their way into the Sherman County Community. If you have been the recipient of any of these food products, DO NOT consume any of the products and immediately transport it to the landfill, or, after hours of operation, to the Sherman County Sheriff's Office for destruction. If you have consumed any of these products, and if you experience any food borne illness symptoms, please contact your medical provider.

For additional information, please contact Sherman County Emergency Manager Ryan Murray at 785-332-8856 .
